SKU	#	Name & Description	Price	total
T-0004		Terafloat Basic Set: Motor, (2) 2.0 Ah batteries, charger 120V, turnflex shaft, head, 1 rotary disc, long case, incisor speculum	\$2,890.00	
T-0007		Terafloat Basic Plus Set: Motor #2, (2) 2.0 Ah batteries, charger, turnflex shaft, 2 heads, 1 rotary disc, 1 apple core burr, long case, incisor speculum	\$3,590.00	
T-0010		Terafloat Standard Set: 2 Motors #2, (4) 2.0 Ah batteries, 4-bay charger, 2 turnflex shafts, 2 heads, 1 rotary disc, 1 apple core burr, case, incisor speculum BEST DEAL	\$5,290.00	
T-0050		Terafloat Advanced Set: 2 Motors #2, (4) batteries, 4 bay charger 120V, 2 turnflex shafts, 2 heads, 1 rotary disc T2, 1 apple core burr, one incisor shaft, incisor speculum, large case (available April 2017)	\$6,290.00	
T-0056		Terafloat Professional Set: 4 Motors #2, (6) batteries, 4 bay charger 120V, 2 turnflex shafts, 2 heads, 1 rotary disc T2, 1 apple core burr, one incisor shaft, one pony shaft, incisor speculum, large case (available June 2017)	\$8,390.00	
		If Terafloat head with diamond disk and guard is desired, add G to SKU, this will switch disk T2 to T3; results in the same price		
T-0120		Terafloat battery large: Milwaukee 12V battery 6.0 Ah (best performance)	\$90.00	
T-0121		Terafloat battery small: Milwaukee 12V battery 2.0 Ah (most practical)	\$50.00	
T-0123		Terafloat battery large: Milwaukee 12V battery 4.0 Ah	\$80.00	
T-0124		Terafloat charger small 120V: Milwaukee charger 120V, single bay	\$40.00	
T-0125		Terafloat charger dual: Milwaukee charger 12V/120V dual plug, single bay	\$80.00	
T-0128		Terafloat charger large: Milwaukee charger 120V, 4-bay	\$90.00	
T-0157		Terafloat Pony Shaft for caudal and pony work, LED light, w. diamond burr (available June 2017)	\$1,290.00	
T-0159		Terafloat Incisor shaft with guarded diamond disc for incisor work (available April 2017)	\$1,090.00	
T-0180		Terafloat head: Head for shaft w/o disc (requires disk T2, not included)	\$590.00	
T-0180G		Terafloat head w/Guard: Gaurded head for shaft w/o disc (requires disk T3, not included)	\$590.00	
T-0202		Terafloat disc: Rotary, diamond coated, used for standard head (T2)	\$190.00	
T-0206		Terafloat disc: Rotary, diamond coated, used with guarded head (T3)	\$190.00	
T-0212		Terafloat apple core burr: Medium, diamond coated, (A2)	\$190.00	
T-0216		Terafloat apple core burr long: Medium, diamond coated, (A3)	\$190.00	
T-0221		Terafloat cylindrical burr: Diastema burr, large, diamond coated, (Z1)	\$190.00	
T-0261		Terafloat diastema burr: conical short, diamond coated, (F1)	\$160.00	
T-0262		Terafloat diastema burr: cylindrical long, diamond coated, (F2)	\$160.00	
T-0302		Terafloat transport bag: Transport bag for Terafloat Basic Set and Basic Plus Set	\$85.00	
E-0001		Swissfloat Basic Set 16/120; 16" shaft, Hitachi 120V motor, GFCI, carbide disc, transport bag, incisor speculum	\$2,320.00	
E-0005		Swissfloat Standard Set 16/120: 16" shaft, Hitachi 120V motor, GFCI, diamond disc, transport bag, incisor speculum	\$2,390.00	
E-0013		Swissfloat Standard Set 21/120: 21" shaft, Hitachi 120V motor, GFCI, diamond disc, transport bag, incisor speculum	\$2,390.00	
E-0024		Swissfloat Standard Set 16/18V: 16" shaft, Dewalt 18V motor, 2 Li-batteries, 120V charger, diamond disc, transport bag, incisor spec	\$2,640.00	
E-0031		Swissfloat Standard Set 21/18V: 21" shaft, Dewalt 18V motor, 2 Li-batteries, 120V charger, diamond disc, transport bag, incisor spec	\$2,640.00	
E-0040		Swissfloat disc: Carbide disc (fine)	\$120.00	
E-0041		Swissfloat disc: Diamond disc (coarse)	\$190.00	
S-0010		Standard Speculum: McPherson type, stainless steel, full mouth, 5 adjustment levels, w/ biothane straps w/o plates	\$330.00	
S-0013		Millennium type Speculum: full mouth speculum, stainless steel, w/22 adjustment levels, bio-thane straps, w/o plates	\$530.00	
S-0050		Standard plates: Standard plates for full mouth speculum, adult size, stainless steel	\$60.00	
S-0055		Large plates: half circle plates for full mouth speculum, adult size, stainless steel	\$90.00	
S-0058		Staight plates: Straight plates for full mouth speculum, incisor work, stainless steel	\$40.00	
S-0011		Standard Speculum Pony: McPherson type, SS metal, full mouth, Pony, 5 adjustment levels, biothane straps w.half circle plates	\$370.00	
S-0016		Taro Speculum: Taro full mouth speculum, adjustable plates, aluminum alloy with bio-thane straps (made in Germany)	\$1,890.00	
S-0018		Vienna speculum: full mouth speculum, stainless steel, biothane straps (made in Germany)	\$1,790.00	
S-0020		Conrad speculum: full mouth speculum, aluminum, with bio-thane straps	\$690.00	

SKU	#	Name & Description	Price	total
S-0022		Gunther modified speculum: full mouth, w/ adjustable bite plates, one biothane strap with slide bold spring hook	\$290.00	
S-0026		Swissvet Incisor speculum: Incisor speculum	\$25.00	
S-0030		Spreader bar: For full mouth speculum, stainless steel, (fits McPherson type or Millennium type speculums)	\$40.00	
S-0031		Cheek retractor: Cheek retractor for full mouth speculum	\$40.00	
S-0035		Head Stand Standard: Hoofjack Head Stand, standard model	\$345.00	
S-0036		Head Stand Articulated: Hoofjack Head Stand, new with Articulated cradle	\$465.00	
S-0033		Dental Head Ring: Leather coated head support ring with pivoting base	\$225.00	
S-0040		Dental Mirror: T-handle examination dental mirror	\$60.00	
S-0240		Hippodent handle: Short handle, with pistol grip	\$80.00	
S-0241		Hippodent handle: Long handle, with pistol grip	\$80.00	
S-0242		Hippodent Straight blade: with carbide chips, fits Hippodent handle (short or long)	\$85.00	
S-0243		Hippodent Curved Up: with carbide chips, for caudal work, fits Hippodent handle (short or long)	\$85.00	
S-0244		Hippodent Curved Down: with carbide chips, for bit seat, fits Hippodent handle (short or long)	\$85.00	
S-0101		S-float: S-shaped hand rasp float w/carbide chips	\$85.00	
S-0105		Caudal Hand Float: Diamond coated caudal hand float w/pistol grip	\$290.00	
S-0110		Flushing Syringe 400: 400 ml, 2 handed-model, w/spare seal	\$45.00	
S-0111		Flushing Syringe 300: 300 ml with pistol grip, one- hand model, w/spare seal	\$45.00	
S-0115		Swissvet Twitch: L-shaped stainless steel handle w/brass slide bolt spring snap, w/6mm rope	\$40.00	
S-0201		Wolf Tooth Small Set: Wolf tooth extraction, 3 elevators, 2 forceps, w/pouch	\$125.00	
S-0202		Wolf Tooth Large Set: Wolf tooth extraction, 5 elevators, 3 forceps, one scaler, stainless steel instrument box	\$265.00	
S-0220		Reynolds Cap Set: Set of 2 forceps for deciduous cheek tooth extraction	\$180.00	
S-0225		Molar Extraction Set: 3-prong left, 3-prong right, 4-prong, molar spreader, stainless steel	\$690.00	
S-0226		Molar Extraction Forceps: 3-prong left, long handle, stainless steel	\$190.00	
S-0227		Molar Extraction Forceps: 3-prong right, long handle, stainless steel	\$190.00	
S-0228		Molar Extraction Forceps: 4-prong, long handle, stainless steel	\$190.00	
S-0229		Universal Forceps: Long handle, stainless steel	\$190.00	
S-0230		Universal Forceps Short: Short handle, stainless steel	\$115.00	
S-0231		Molar Spreader standard model 6mm, stainless steel	\$190.00	
S-0232		Spreader short: Short handle molar spreader	\$115.00	
S-0236		Fulcrum: For molar extraction, stainless steel handle, 7 aluminum blocks	\$95.00	
S-0250		Periodontometer Set: Handle, periodontometer tip long, periodontometer tip short	\$60.00	
S-0252		Periodontometer tip long: Long tip for periodontometer, stainless steel	\$15.00	
S-0253		Periodontometer tip short: Short tip for periodontometer, stainless steel	\$15.00	
S-0301		Incisor Set: Large incisor forceps, curette, mallet, elevator, small forceps, 5 gouges	\$345.00	
S-0400		Examination and Exploration Set: 2 handles (straight and T-bar), with 12 screw on tips, pouch	\$225.00	
S-0410		Trepanation Set: Two crown cutters, 19mm and 22 mm, stainless steel	\$165.00	
S-0320		Molar Fragment Extraction Set: 3 fragment extractors, 2, 4, and 6cm	\$475.00	
S-0321		Molar Fragment Forceps universal (4cm)	\$190.00	
TXE135-9B		Wireless LED bronchoscope set, 135cm, 8.9mm, built-in video camera with LED's, working channel 2.8mm, 5.8GHz and WiFi signal (android and iOS compatible); w. 5.8GHz monitor, air/water insufflation pump, case	call	
TXE174-10B		Wireless LED bronchoscope set 165cm, 10mm, built-in video camera with LED's, working channel:2.8mm, 5.8GHz and WiFi signal (android and iOS compatible); w. 5.8GHz monitor, air/water insufflation pump, case	call	
TXE325-12G		Wireless LED video gastroscope set, 320cm, 12mm, built-in video camera with LED's, working channel 2.8mm, 5.8GHz and WiFi signal (android and iOS compatible); w. 5.8GHz monitor, air/water insufflation pump, case	call	
		Wireless endoscopes are available with different configuration and standard or HDMI quality - call for details		
ETL3-70SET		ETL-3: Dynamic Endoscope Set, 1m semirigid LED endoscope OD:10mm, recording unit, remote control unit, two Li-Ion batteries, one halter, case	\$29,900.00	
TXL-94SET2		Wireless LED Dental Endoscope 90Deg: WL42cm, OD, Triple wireless signal: HDMI, 5.8GHz and WiFi (android and iOS) 5.8GHz Wireless monitor and recorder w/ micro SD card, HDMI receiver, Transport case.	\$9,280.00
